Connections are like links in a chain,
   Bonding us all together,

   It puts a smile on kids faces,
   It shows enjoyment of their group,

   We learn things about each other,
   That we never knew before,

Connections are like building bridges,
   And meeting new people on the way,

   Creating new friendships,
   And finding things in common,

   Its being able to say hi to other kids,
   Out in the yard,

   Getting to know lots of others,
   From all different levels.

   Having others to talk to,
   If something goes wrong,

   Connections is important,
   A positive step in the future for Great Ryrie.
