

## PRIMARY SCHOOL PRIVACY NOTICE Information about the Enrolment Form.

### Please Read This Notice Before Completing The Enrolment Form.

This confidential enrolment form asks for personal information about your child as well as family members and others that provide care for your child. The main purpose for collecting this information is so that Great Ryrie Primary School can register your child and allocate staff and resources to provide for their educational and support needs. All staff at Great Ryrie Primary School and the Department of Education & Early Childhood Development are required by law to protect the information provided by this enrolment form.

Health information is asked for so that staff at Great Ryrie Primary School can properly care for your child. This includes information about any medical condition or disability your child may have, medication your child may rely on while at school, any known allergies and contact details of your child's doctor. Great Ryrie depends on you to provide all relevant health information because withholding some health information may put your child's health at risk.

Great Ryrie Primary School requires information about all parents, guardians or carers so that we can take account of family arrangements. Family Court Orders setting out any access restrictions and parenting plans should be made available to Great Ryrie Primary School. Please tell us as soon as possible about any changes to these arrangements. Please do not hesitate to contact the Principal, Doug Elliott, if you would like to discuss, in strict confidence, any matters relating to family arrangements.

#### EMERGENCY CONTACTS

These are people that Great Ryrie Primary School may need to contact in an emergency. Please ensure that the people named are aware that they have been nominated as emergency contacts and agree to their details being provided to Great Ryrie Primary School.

#### STUDENT BACKGROUND INFORMATION

This includes information about a person's country of birth, aboriginality, language spoken at home and parent occupation. This information is collected so that Great Ryrie Primary School receives appropriate resource allocations for their students. It is also used by the Department to plan for future educational needs in Victoria. Some information is sent to Commonwealth government agencies for monitoring, planning and resource allocation. All of this information is kept strictly confidential and the Department will not otherwise disclose the information to others without your consent or as required by law.

#### Religious Affiliation

If you want your child to receive religious instruction while at Great Ryrie Primary School please complete this section. The Department of Education & Early Childhood Development needs to know what type of religious instruction is sought so the Department can, where possible, provide appropriate religious instruction at Great Ryrie Primary School.

#### IMMUNISATION STATUS

This assists Great Ryrie Primary School in managing health risks for children. This information may also be passed to the Department of Human Services to assess immunisation rates in Victoria. Information sent to the Department of Human Services is aggregate data so no individual is identified.

#### VISA STATUS

This information is required to enable Great Ryrie Primary School to process your child's enrolment.

#### UPDATING YOUR CHILD'S RECORDS

Please let Great Ryrie Primary School know if any information needs to be changed by sending updated information to the school office. During your child's time with Great Ryrie Primary School we will also send you copies of enrolment information held by us. Please use this opportunity to let us know of any changes.

#### ACCESS TO YOUR CHILD'S RECORD HELD BY SCHOOL

In most circumstances you can access your child's records. Please contact the Principal to arrange this. Sometimes access to certain information, such as information provided by someone else, may require a Freedom of Information request. We will advise you if this is required and tell you how you can do this.

If you have any concerns about the confidentiality of this information please contact the Principal. The Department of Education & Early Childhood Development can also provide you with more detailed information about privacy policies that govern the collection and use of information requested on this form. This form is available on request.

# STUDENT ENROLMENT FORM

This form is designed to be used for enrolling students in Victorian government schools using CASES21.

## Schools, please note:

It is imperative that any enrolment form the school provides to parents/guardians contains the questions marked with the symbol ❖ (and shaded yellow) exactly as they appear on this form. This is a requirement of the Commonwealth Government.

All schools across Australia are required to collect this information for all students. Critical to the success of this process is that all schools use the nationally consistent definitions for student background characteristic information exactly as they appear on this enrolment form. The data obtained from this process is linked to student results on national tests, aggregated, provided to the Ministerial Council on Education, Employment, Training and Youth Affairs and published in such publications as the National Report on Schooling in Australia. No individual student or school is identifiable through the published information. [Refer to Circular 291/2004 for more information.]

A copy of the School Enrolment Privacy Notice must be attached to this enrolment form before distribution to parents and guardians as this is a requirement of the *Information Privacy Act*. A template of the School Enrolment Privacy Notice is located at <https://edugate.eduweb.vic.gov.au/Services/privacy/Pages/resources.aspx>

Explanations of the Parental Occupation Group codes are included at the end of this document.

## HEAD LICE PROGRAM

For the many families and teachers of primary school aged children, head lice continue to create concerns. While it is known that head lice do not carry any infectious disease, at Great Ryrie PS the Principal, teaching staff and School Council have developed a head lice program to help parents manage this problem. The School First Aid officers coordinate the program and it is fully supported by the Principal, teaching staff and School Council. The program goals include:

1. Reducing the frustration and misinformation associated with head lice
2. Helping to decrease the concerns regarding head lice within the school community
3. Promoting regular home based screening using a conditioner and comb method.

We invite you to include your child/children in our screening program which runs twice per term. If you would like to include your child/children in our screening program the permission slip below needs to be completed and returned to the school. The program works best when the majority of children at the school are involved in the screening program.

There are no toxic chemicals used and no treatment is undertaken at the school.

As part of this program we also expect parents and carers to:

- Regularly (preferably once per week) inspect their child's hair to look for lice or lice eggs
- Regularly inspect all household members and then treat them if necessary
- Notify the school if their child is affected, and advise the school when the treatment was started
- Notify the parents and carers of your child's friends so they too will have the opportunity to detect and treat their children if necessary.

Regular updates about our program will appear in our newsletter. If you have any questions please feel free to contact the school.

**I give my permission for my child to participate in the Great Ryrie Primary School Head Lice Program.**

# LIVING ARRANGEMENTS EXPLANATORY NOTES

Student living arrangement information is one component of the Student Learning Needs (SLN) index.

**(B) At home with TWO parents / guardians**

Where student has regular access to two adults to support them with their education

**(O) At home with ONE parent / guardian**

Where student has regular access to one adult to support them with their education

**(A) Arranged by State-Out of Home Care**

Students to be entered in this category are those *who have been subject to protective intervention by the Department of Human Services* and live in one of the following alternative care arrangements away from their parents. These DHS facilitated care arrangements include living with relatives or friends (kith and kin), living with non-relative families (foster families or adolescent community placements) and living in residential care units with rostered care staff. In Victoria, approximately 4000 children and young people live in out of home care. Students entered in this category are those that the Partnering Agreement: School Attendance and Engagement of Children and Young People in Out of Home Care has been developed to support.

In order to monitor the educational outcomes for this cohort, it is necessary to accurately record and maintain the attendance and achievement records of these students.
