IMAGINE HAVING ASD....

The Mullum Primary School community invites you to come and hear Dr Richard Eisenmajer, a Director of the ASD Clinic, talk about the day to day challenges faced by people with Autism Spectrum Disorders.

Drawing on his clinical experience and popular presentation style, this event is essential viewing for parents, carers and educators interested in learning more about Autism Spectrum Disorders.

In plain English, Richard also suggests a range of support strategies that can help deliver the best outcomes at home, at school and in the work place for individual of all ages.

A $10 contribution per person is required to help cover the costs of the evening. Light refreshments will be served after the presentation.

Please contact our office directly to book your ticket.
