

### Purpose

As of the 1 January 2008, all schools are required to comply with the Working with Children Act 2005, and ensure that any person unsuitable to be involved in 'child related work' does not do so.

### Aims

- To ensure children under our care are protected from being exposed to inappropriate people.
- To ensure all people engaged in 'child related work' with our students and who are required to have Working with Children Checks, do so.
- To ensure that our school complies with the relevant Acts and laws.
- To provide an environment that is safe.

### Implementation

- All workers or volunteers related in 'child related work' must undergo Working with Children checks prior to commencing work.
- You are considered to be performing 'child related work' if you work or volunteer at a school or school related activities, and you volunteer or do this work on a regular basis, and you have direct contact with children under 18yrs of age which is unsupervised, and you do not qualify for an exemption.
- All teaching staff members are registered with the Victorian Institute of Teaching, and undergo ongoing monitoring that satisfies the Working with Children Check requirements, and are therefore exempt. Police officers are also exempt.
- Any parent volunteering on a regular basis will be required to obtain a Working with Children Check.
- School Council does not pay for Working with Children Checks.
- Working with Children Checks last for 5 years.
- All people required to have Working with Children Check need to show their card at the Administration Office and are added to the register.
- Administration Office will maintain a record of volunteers with up to date Working with Children Checks.
- School Council requires that all volunteers directly involved in school camps, excursions, teaching of swimming lessons, transport of students without staff members present, extra-curricular activities such as school sporting teams etc all have Working with Children Checks.
- School Council will consider other activities such as incursions on a case-by-case basis.
