

The Annex News/Homework Sheet

18th October, 2018

A big welcome back to all students and teachers! There are only 10 weeks to go to the end of the year. We are all looking forward to an exciting and positive Term 4 to complete what has been a fantastic year so far.

Happy Birthday to the following students who celebrate their birthdays during October!

Next Annex Birthday party will be held on Thursday 25th October 2018 during 1st half of snack.

GRPS Teachers dressed up on Space Day!

2018 Fete—Only 4 Weeks to Go!

As the Fete draws nearer please keep an eye on the newsletter for the latest information. We need all parents to make themselves available to help at a stall on the day. You can do this by signing up online:

56A: Boutique on Ryrie	www.volunteersignup.org/CHQ3C
56B: Devonshire Tea	www.volunteersignup.org/R3PHF
56C: Hampers/ Spinning Wheel	www.volunteersignup.org/MQ9JF
56D: Sushi	www.volunteersignup.org/P89CQ
56E: Photo Booth	www.volunteersignup.org/JJL7K
56F: Chocolate Toss	www.volunteersignup.org/DYKWX

Year 6 Graduation

The end of year is fast approaching and so is graduation. We are well under way with our planning for Graduation. We will begin with a dinner for just the Year 6 students, followed by a ceremony for parents and families and then finish with a disco. More details will be coming out soon. Graduation night will be on Wednesday 19th December.

Important Dates:

- 24th October—Space Day!!**
- 6th November—Melbourne Cup Public Holiday**
- 10th November—School Fete**
- 13th Smart Start Financial Literacy Session**
- 19th December— Graduation**

A Reminder for Sunsmart Hats

A reminder for all students that hats are a requirement for playing outside during recess and lunch. Due to the high level of UV radiation, students are required to wear school Sun Smart hats as part of their uniform.

Past students participating in Space Day parade.

Space Day @ GRPS!

We are officially 'counting down' to 'launch' our new integrated unit on Space 'The Next Frontier' in Term 4. To immerse our children, we are holding a Space Day on **Wednesday 24th of October**. So come to school dressed up as an astronaut, an alien, a planet, a rocket or an astrophysicist for a chance to win prizes that are truly 'out of this world!' We strongly encourage students to use recycled materials for their dress ups.

Furthermore, on that day you will 'gravitate' through 6 fun filled and entertaining learning activities including:

HOMEWORK

Open-ended Task— Due Friday at the end of each week.

Each week it is expected you will do the following:

1. Read for at least 15 minutes per night and record what you have read in your reading log.
2. Complete your weekly maths activity via Essential Assessment and Study Ladder.
3. Choose one Literacy and one Numeracy activity to do each week from our homework sheet. Highlight the one you have chosen to do and bring it to school on Friday. If your child has lost their sheet it can be found on Compass under School Documentation > Years 5&6 > 2018 > Homework, or speak to your child's teacher.
