31st July 2018

Year 5&6 Coolamatong Camp
August 13th – 17th August 2018

Dear Parents,

Please complete the attached Confidential Medical Report and return to your class teacher by Tuesday 7th August. If your child has an Asthma Action Plan, could the attached form also be completed and returned to your class teacher by Tuesday 7th of August. The information that you supply greatly helps the teachers in looking after your child.

If your child is to receive medication whilst away on camp, would you please complete the attached 'Administration of Medication Consent' form and put it, together with the medication, in a re-sealable plastic container. Please hand this to Mr Greaves personally on Friday 10th or on Monday 13th August.

Finally, please see the 'What to bring for camp' checklist as a reference for your child's packing needs. Please note that parents need to supply snack and lunch for the first day of camp (13th August) only. All other meals will be adequately catered for your child.

Please contact Mr. Kim or Mr. Shattock if you have any questions with regards to the camp.

Kind regards,

Joe Kim & Andrew Shattock

Camp Coordinators
