

Foundation Term 1 Newsletter

February 2019

Welcome 2019 Foundation Students and Families!

What a wonderful and smooth start to the year. The children were so excited seeing their new classroom and teacher.

Meet the Teachers:

Foundation A: Miss Jess Rose

Foundation B: Mr Hugh Kendall and Mrs Jacque Green

Foundation C: Mrs Jo Bell

Foundation D: Ms Alison Dresser

We are looking forward to a wonderful year with your children.

Morning Routine:

Parents/Carers please say goodbye to your child at the planter boxes in the quadrangle at 8:55 and allow the children to carry their own bags to class. It's important that the children develop confidence walking inside the building independently.

*If you have something to discuss with the teacher, please email, send a note, or speak to us after school. (If you will need more than 5-10 minutes please make an appointment).

Afternoon Routine:

Please pick your child up at 3:30pm from the back door of your child's classroom. Kindly ensure that you are on time as it can distress your child if you are late. However, if you do know in advance that you are going to be late please call the office and your child will wait at the main office. It would be advisable to enrol your child with Camp Australia (before and after school care) in the event that you are unable to pick up your child before 3:45. If this occurs your child will be able to be taken to after school care by a staff member.

Nude Food:

Nude food day is every Tuesday, it is a day when students are encouraged to bring their lunch "nude" (rubbish free) in **clearly labelled**

containers. The number of nude lunches are tallied up. The class with the least rubbish wins the Nude Food award for the week which is announced and celebrated at the end of the day. We would love to see nude food every day as we are an environmentally friendly school, however, we understand that some days it is more difficult than others.

WOW (Walk on Wednesday):

Great Ryrie Primary School is an Active Travel School. We encourage students to walk, ride and scoot to and from school as much as possible, especially on Wednesdays. The students are asked if they were active to school on Wednesday and the numbers are tallied across the school. The class with the most active travel wins the Golden Shoe for the next week.

Show and Share:

You will receive two show and share rosters. One to tell you what day your child can bring something to share with the class, and another which explains the topic or item to be brought that week.

Me Bag:

In conjunction with our integrated unit "All about me", the topic for show and share for week 4 is the 'Me Bag'. This is a bag with a collection of items that tell us all about what is special to your child. It could include items such as a favourite teddy, a favourite book, a sport medal or certificate, a photo of a favourite place or special occasion. Please send in 'Me Bags' on your child's show and share day. Practising talking about their items at home can help to build their confidence and give them ideas to share.

Take Home Reading:

Take home reading will begin shortly. This is a time to enjoy reading in a relaxed and enjoyable environment. The books will be easy and encourage your child to gain confidence by enjoying the repetition and having a sense of successful reading. The children will receive their

home reading log book for parents to record the name of the book and sign. We will talk further about this at our Information Night – **Wednesday 6th March 7pm**
