We hope that you have had a relaxing holiday and that the students are ready for another fantastic term of learning.

Nude Food & WOW Reminder:

Just a friendly reminder that we have:

- **Nude Food every Tuesday**, where we encourage the students to bring their lunch rubbish free. The results are tallied and the class with the least rubbish wins the Nude Food award for the week.
- **Walk and Wheels on Wednesday**, where we encourage the students to come to school actively either on bikes, scooters or walking. Families who live further away are encourage to park a few blocks away from the school and walk from there.

Show and Share:

You will receive Term 2's Show and Share roster. Where possible we encourage you to work with your child in completing the set task, which is related to our integrated unit. Rehearsing what to say at home is very beneficial and increases confidence. They are normally fun and easy to complete. Your child should know the day that they share.

Take Home Reading/Tricky Words:

We encourage you to read and practise their Tricky Words daily with your child as this helps them to progress with their reading. Please record daily reading in your child's reading log book.

Integrated Topic:

This term we are looking at the topic of friendship and our unit is called 'Let's be friends'. We will be covering - identifying our emotions, understanding how friendships work, what makes a good friend and learning strategies to make positive choices in our friendships.
