Best Spring activities

"Spring breathes new life into the world around us."

Here are some ideas from the internet: Have fun trying these out.

Picnic. In a local park or even in the back yard.

Chalk drawings. Kids love to outline and colour with chalk on the path.

Hike. Find a local hiking trail, put on your walking shoes and explore!

Fly a Kite. Even when my kites don't like to fly, my kids have a ball.

Go For a Bike Ride. This is great exercise and fun together.

Blow Bubbles. For extra fun, make your own bubble solution.

Plant Something You Can Eat. They can see it grow and pick it.

Backyard BBQ. Perhaps use a small firepit and roasting sticks.

Make a Bird Feeder. Peanut butter on a pine cone, rolled in bird seeds

Backyard Camping. Kids love to play and sleep in tents.

Feed the ducks. Find a local pond, take your stale bread and feed them

Wash the Car. Have a fun, messy time keeping the car clean at home.

Run Through the Sprinklers. Put on your swimsuits for some fun!

Nature Scavenger Hunt. Make a list of natural things to look for outside.

Make a Splash on a Rainy Day. Put on your rain gear and head outside

Get out the Sports Gear. Play a game of Frisbee or similar.

Take an evening stroll. Bring your torch, take a walk with your family.
