

## Chaplain's Spot

### Grief and Loss

Last Thursday I coordinated a Remembrance and Celebration Day for those who are grieving family members, friends or pets who have died.

There were some helpful conversations during the day, around the death of pets and family members especially. Talking about grief can happen at any time in my chaplaincy role, so feel free to contact me if you or your children need some time to share your grief journey.

#### Quote of the week:

“Only people who are capable of loving strongly can also suffer great sorrow, but this same necessity of loving serves to counteract their grief and heals them.” [Leo Tolstoy]
